

**APPEARANCE:**

A dark brown liquid.

**DIRECTIONS FOR USE:  
USE WITH EXTREME CAUTION**

Blow Out is a powerful drain cleaner. Used neat it will actively and rapidly attack organic matter, blocking drains. **Not for use in toilets.**

- Remove as much water from the drain as possible.
- Pour half litre of Blow Out into drain and follow with cold water.
- Repeat the process as required.

**PRECAUTIONS:**

Blow Out contains strong acids. Avoid ingestion and skin contact. Beware of splashing once Blow Out comes into contact with water. Contact with the product will result in burning. Protective clothing including goggles and gloves must be worn. Keep as far away from drain as possible when applying product as splashing is likely. In case of accident, wipe off with a cloth, then wash with large amounts of water and contact physician. Treat as for Acid Burn.

*E.L. Products cc warrants that BLOW OUT is reasonably fit for the purpose for which it is developed. In no case shall E.L. Products cc be liable for any damages resulting from the use of or handling of BLOW OUT.*

All such risks shall be assumed by the buyer.

**VOORKOMS:**

'n Donkerbruin vloeistof.

**GEBRUIKSAANWYSINGS:**

**GEBRUIK MET UITERSTE VERSIGTIGHEID**  
Blow Out is 'n kragtige rioolskoonmaker. As dit korrek aangewend word, sal dit organiese materiaal wat riole verstopt aktief en volgehoue afbreek. **Nie vir gebruik in toilet nie.**

- Skep soveel water uit die riool as moontlik.
- Gooi halwe liter Blow Out in die riool en daarna water.
- Herhaal die proses soos benodig.

**VOORSORGMATREËLS:**

Blow Out bevat sterk sure. Vermyn innamme en velkontak. Wees versigtig vir opspat as Blow Out in aantaking kom met water. Kontak met die produk kan tot verbranding lei. Beskerminingsklere asook veiligheidsbri en handskoene moet gedra word. Bly so ver as moontlik van drein terwyl produk gebruik word want dit kan opspat. In geval van 'n ongeluk, vee af met 'n lap en spoel daarna met groot hoeveelhede water af en spreek 'n dokter.

*E.L. Products cc waarborg dat BLOW OUT redelik geskik is vir die doel waarvoor dit ontwikkel is. In geen geval sal E.L. Products cc aanspreeklik wees vir enige skade as gevolg van die gebruik of hantering van BLOW OUT nie. Al sodanige risiko sal deur die koper gedra word.*
