TC-SD 3,6 Li

Cordless Screwdriver

Item No.: HW2800040

Bar Code: 4006825604733

The cordless screwdriver TC-SD 3,6 Li is a high-quality practical and versatile rechargeable screwing tool for ambitious do-it-yourselfers which should not be missing in any household. The strong lithium-ion battery offers 30 % more capacity for a longer runtime. Due to its swivel joint, the device turns from a pistol- to a straight screwdriver in a blink which even allows simple and fast screwing in areas that are difficult to access. Enjoyable working is granted because of the comprehensive functions, e.g. the bright LED light and the clearly legible LED charge indicator. Additionally, the rechargeable straight screwdriver always lays in the hand safely due to its soft grip. 6 bits are included to the scope of delivery.

Features

- Lithium-ion rechargeable battery
- Pivot joint also enables use as a screwdriver
- Reverse facility
- LED light
- Soft grip
- 3-step LED battery indicator
- Charging indicator light
- Incl. 6 bits
