

TC-MD 50

Digital Detector

Item No.: HW2800035

Bar Code: 4006825616200

The Einhell digital detector TC-MD 50 is an indispensable helper for DIY enthusiasts: in the home, at the building site or for renovation work. The digital detector is unbeatable for reliable localization in walls. This tool reliably detects ferrous and non-ferrous metals, wood and live wires. Operation is easy and intuitive thanks to an acoustic warning signal. Protector pads are also fitted on the back to protect the wall. The soft grip makes it comfortable to operate with just one hand. If the TC-MD 50 is set down to one side, it switches off automatically after one minute without being used.

Features

- Reliable detection of metal, wood and electric leads
- Intuitive operation thanks to an acoustic warning signal
- Protector pad on the back for protecting the wall
- Soft grip for comfortable one-hand operation
- Switches off automatically after 1 minute of inactivity
- 1x 9V 6F22 battery needed (not included in delivery)
