TC-TC 618

Tile Cutting Machine

Item No.: 4301180

Ident No.: 11025

Bar Code: 4006825590685

The TC-TC 618 tile cutting machine is a compact and easy-to-transport helper for cutting indoor wall tiles and floor tiles exactly to size. The large work table comes with a secure support for guiding standard tile sizes. For clean miter cuts it can also be tilted and has an easy-to-read angle scale. Simple jolly cuts, angle cuts and precise longitudinal cuts are all possible in next to no time thanks to the parallel stop and angle stop. The robust frame is equipped with non-slip plastic feet for free-standing stability or – thanks to the mounting holes – can be easily fitted to a workbench. Delivered complete with a diamond cutting wheel and tool.

Features

- Tilt. steel table with angle scale and double locking function
- Water container provides a clean cold cut
- Plastic feet for slide-free stand
- Parallel guide stop prov. acc. straight cuts
- Scale for adj. cutting width
- Mitre stop supports exact 45° cuts
