

TECHNICAL DATA SHEET: MULTIPURPOSE CHEMICALS

POOL ACID

HIGH STRENGTH

FEATURES AND BENEFITS

- Fast acting PH correction
- Maintain healthy water balance
- Essential for keeping pools sparkling blue

UN 1789

DIRECTIONS FOR USE

USAGE PRECAUTIONS

Read all instructions before use. Handle with caution and follow all safety instructions. Corrosive product, handle with caution and follow all safety instructions. Always add acid to water to avoid aggressive reaction. Never add acid while people are in the pool. DO not swim in the pool for an hour after adding Pool Acid. Do not use near any alkali or oxidizing materials. Do not use near any metals. Reacts with most metals and forms flammable hydrogen gas. Do not mix with other chemicals. Open cap with caution to prevent any splashing. Do not apply undiluted product as this will damage the surface. Test required dilution ratio before using on a large area.

APPLICATION INSTRUCTIONS

APPROXIMATE AMOUNTS OF POOL ACID REQUIRED TO CORRECT PH				
VOLUME OF WATER	PH BELOW 7.2	PH RANGE 7.2 - 7.6	PH 7.6 - 8.2	PH > 8.2
10000L	SODA ASH MAY BE REQUIRED	HEALTHY RANGE	110ML	180ML
30000L			320ML	540ML
50000L			540ML	900ML
100 000L			1.1L	1.8L

Dilute 1 part Pool Acid with 2 parts water. Always add acid to water to avoid aggressive reaction. Apply the diluted Pool Acid to the surface of the pool. Run the filter for 2 – 3 hours and measure the PH again. Carry out minor adjustments as required. If no change in water colour and clarity take a water sample to a pool chemical specialist for further testing.

More than just a product.

STORAGE INSTRUCTIONS

Ensure lid is tightly sealed and product stored upright. Secure product when transporting to prevent accidental spillage. Store in a cool place out of reach of children. Store away from any alkali or oxidizing materials. Attacks many metals producing extremely flammable hydrogen gas. Store away from metals. Dispose of empty container and do not use for any other purpose. Do not dispose into common waste system contact 0860254620 for disposal information.

SAFETY INSTRUCTIONS

May be corrosive to metals.

Causes severe skin burns and eye damage. Causes respiratory irritation.

Read all instructions before use. Use product within well-ventilated areas. Keep out of reach of children. Do not eat, drink, or smoke when using this product. Take off contaminated clothing and wash before reuse. If medical advice is needed, have product packaging at hand. Use personal protective equipment as required. Wear protective gloves. Wear eye protection. Wear a respirator do not inhale fumes.

IF IN EYES flush with water and seek immediate medical attention.

IF ON SKIN wash with soapy water. Seek medical attention if symptoms persist.

IF SWALLOWED do not induce vomiting and seek immediate medical assistance.

IF INHALED move victim to fresh air and seek immediate medical assistance.

Dispose of contents and packaging in accordance with all local, regional, national, and international regulations. National poison centre: 0861 555 777.

Help Line Number: 072 396 4980

PRODUCT GUARANTEE

In the unlikely event that you are not totally satisfied - this product has a 12-month warranty. This warranty only includes replacement of the same product or a refund of the original purchase price. Product must be returned in its original packaging with proof of payment. This warranty excludes product failure caused by misuse or use of the product outside of recommended uses and instructions on the packaging.
